

*Support cleaner
air for California*

It's important that State officials hear from you!

Suggested Talking Points:

- Hello, my name is _____.
- I support the Environmental Justice League in asking you to reduce diesel emissions.
- All Californians deserve cleaner air.
- The time allowed for public comment was cut short last time, so thank you for the opportunity to speak today.

OR

- Hello, my name is _____.
- I'm here with the Environmental Justice League to support cleaner air for our communities.
- Please allow the cleanest available technology to reduce diesel emissions for our children, and their children.
- Thank you for providing time for public comment today.
